Dear Parent/Carer

Prior to the Christmas holidays, you received your child's full report and then tracking report. We are following this up with our annual S4 Parents' Consultation Evening. This will take place on **Tuesday February 27th from 5-7pm.**

Following the success of our online parents' evenings during the Covid-19 pandemic, our current building constraints and parental consultation on the format of our parents' evening this academic session, I am pleased to inform you that the S4 meeting will take place online.

I cannot stress enough the importance of this Consultation Evening. We have carefully timed the Short Reports and Consultation Evening so that we can work together to ensure the best possible progress for your child. We need to work in partnership to either raise attainment or reinforce excellence. I hope you can attend the Parents' Consultation Evening and discuss with staff ways in which we can collaborate to support your child.

The consultation meetings will be booked online, and then held by video meeting rather than in-person at the school.
